St.Croix Hair Sheep International Association

APPLICATION FOR REGISTRY OF RAMS

St. Croix Hair Sheep Int'l Assn.
15603 173rd Av.
Milo, IA 50166

Column No. 1. • Lea

Column No. 2 - Fill in the private name and number of each animal to be registered.
The private name is not a pet name, but the name under which you desire to have all of your St Croix registered For Instance. John Doe may choose to designate all of his St. Croix as "JD", or as "J. Doe" or as "John Doe". Or he may choose to use his farm name, or the initials of his farm name. Whatever the name or initials used, a record of the designation is made In the Association office and no other breeder may use the name or initials. If the private name you choose is already used by another breeder, you will be notified accordingly and you will be asked to use another private designation. Along with the private name listed in Column No. 2 you must Include the number you nave given each animal to be registered. Each animal to be registered must have a different private number. This rule applies not only to the animals listed on this application for registry, but to any subsequent animals to be registered.

Column No 3 - List the birth date (month, day and year) of each animal to be registered.

Column No.4 - Indicate whether the animal is a single, twin. triplet, etc.

Column No.5 - List the private name and number of the ram that sired each animal to be registered. The private name and number of the sire should be listed exactly as it appears an his certificate of registry.

Column No. 6 -List the St. Croix Sheep Breeders Association registry number of the sire of each animal to be registered. This number may be found slumped w printed on the upper right hand corner of the ram's certificate of registry.
Column No. 7 - List the private name and number of the ewe that is the dam of each animal to be registered. The private name and number of the dam should be listed exactly as it appears on her certificate of registry.

Column No. 8 - List the St. Croix Sheep Breeders registry number of the dam at each animal to be registered. This number may be found stamped or printed on the upper right hand corner of the ewe's certificate of registry.

Column No 9 - List date of sale if animal to be registered has been sold.

Column No 10 - List name and address of purchaser if animal to be registered has been sold. Transfer fee applies here.*

No. 11 - Breeder. The owner of the dam at the time she was bred should sign as the "Breeder".
No. 12 - Owner. The owner of the dam at the time she lambed should sign as the "Owner'".

Lambs can only be registered as the dams are owned.
