ST. CROIX HAIR SHEEP BREEDERS, INC. APPLICATION FOR REGISTRY OF EWES

Phone: 641-942-6402 • PO Box 51, 222 Main St - Milo, Iowa 50166 • Fax: 641-942-6502

- Important: 1. Type or Print Legibly
2. Check your application for errors
3. Proper fees must accompany work

Column 1 - Fill in the sex of the animal.

Column 2 - Fill in the private name and number of each animal to be registered. The private name is not a pet name, but the name under which you desire to have all of your St Croix registered. For Instance. John Doe may choose to designate all of his St. Croix as "JD", or as "J. Doe" or as "John Doe". Or he may choose to use his farm name, or the initials of his farm name. Whatever the name or initials used, a record of the designation is made in the Association office and no other breeder may use the name or initials. If the private name you choose is already used by another breeder, you will be notified accordingly and you will be asked to use another private designation. Along with the private name listed in Column No. 2 you must include the number you have given each animal to be registered. Each animal to be registered must have a different private number. This rule applies not only to the animals listed on this application for registry, but to any subsequent animals to be registered.

Column 3 - Indicate whether the animal is a single, twin, triplet, etc.

Column 4 - Indicate how the animal was bred; naturally, artificial insemination, or embryo transfer.

Column 5 - List the birth date (month, day and year) of each animal to be registered.
Column 6 - Part 1: List the St. Croix Hair Sheep Breeders, Inc. registry number of the sire of each animal to be registered. This number may be found printed on the upper right hand corner of the ram's certificate of registry.

Part 2: List the private name and number of the ram that sired each animal to be registered. The private name and number of the sire should be listed exactly as it appears on his certificate of registry.

Column 7 - Part 1: List the St. Croix Hair Sheep Breeders, Inc. registry number of the dam of each animal to be registered. This number may be found printed on the upper right hand corner of the ewe's certificate of registry.

Part 2: List the private name and number of the ewe that dammed each animal to be registered. The private name and number of the dam should be listed exactly as it appears on her certificate of registry.

Column 8 - Part 1: List date of sale if animal to be registered has been sold.
*Part 2: List name and address of purchaser if animal to be registered has been sold. Transfer fee applies here.**

Bottom of Form:

Breeder - The owner of the dam at the time she was bred should sign as the Breeder
Owner - The owner of the dam at the time she lambed should sign as the Owner

Lambs can only be registered as the dams are owned.
